More mass graves found in Comilla

COMILLA, Feb. 2st Another secret site where the barbarous Pakistan Army killed and buried many civilians was found today, writes BSS Correspondent.

Mass graves with severed parts of human skeletons atticking out from them were described by local people as mass graves of many civilians who were brought to the EPR camp and exterminated. These graves expose harrowing genocide committed by the Pak occupation Army.

When the police investigation officer Mr. Faziur Ratman was in search of more mass graves on the south side of cantonment, he met one Abdul Hashem of Raichar who gave the particulars of a new slaughter site and there. Mr. Walyet Hussam Treasurer of Comilla District Awami League also accompanied.
