IAF LOSSES NOW 120

Missile base again hit
Anti-sub plane downed

RAWALPINDI, Dec 10: Pakistan Air Force which continued hitting Indian installations today shot down six more Indian aircraft bring the total IAF losses to 120. A PAF spokesman said today. These included 17 aircraft damaged in aerial battles or by ground fire. The Pakistani Air Force last night again pounded the airfields near the border area. This was the second attack by the PAF on this line.
