INDIAN FRIGATE SUNK

PN sub's feat
off Diu

India-bound ships
to be searched

BY SAIFDAR BARLAS

The Pakistan Navy struck a stunning blow to the Indian Navy by sinking an Indian frigate on Thursday/Friday night in a daring operation deep down the enemy coast about 300 miles off Karachi.

The strike was aimed to disable the ship one of our submarines in the area.

The spokesman said: "The contraband control by ships lays down that the contraband control by ships lays down that all kinds of arms and ammunitions and explosives, their components and ingredients, including materials, crude oil and fuel and lubricants of all kinds, and most of the components of warships, electronic and telecommunication equipment, optical equipment, especially designed for the military use, would be informed about it." —APP

Pakistan Navy thus avenged the earlier loss of an missile aircraft and its crew in a Russian-supplied missile boat. The feat made the Indians feel proud that they had hard-hitting Pakistan Navy, hundreds of miles away from our shores.

The Pakistan Navy will now also stop, visit and search neutral merchant ships anywhere on the high seas to ensure that the steady supply of arms, ammunition and other war materials to India. This order was issued to our Navy last night.

According to the details of the attack, a submarine of the Indian Navy, a Pakistani submarine was accosting the high seas in search of contraband when it came across through the dark waters of the Arabian Sea, the submarine sighted two enemy frigates now.

The encounter poses a grave threat to our submarine as the enemy had very good submarine detection capabilities. Moreover, the submarine had hundred miles away from the home waters.

The submarine, however, decided to go for the enemy and successfully avoided the attack.

The encounter was a fierce one and the submarine successfully attacked the enemy vessels and resulted in pilot damage.

Our Navy, however, has lost both of them after direct hit sinking one enemy ship immediately and damaged the other.

The other frigate which made a hasty retreat after seeing the fate of its mate, had hard-headed attack notwithstanding.

Meanwhile, the Directorate General of Posts and Shipping, Ministry of Defence, Government of Pakistan, has issued a circular containing by ships.

The contraband control by ships makes it obligatory for every ship to do its best to prevent the entry of Pakistan Navy's ships, a warning will be administered on falling to do so.

Consequently, stern action will be taken where fighting was reported on (Continued on back page col 2)

Heli-landings by enemy badly mauled

RAWALPINDI, Dec 11: White heroically fighting back the enemy thrusts, Pakistani troops in East Pakistan have badly mauled or liquidated the enemy's hell-borne forces landed at several places in the province during the past 24 hours.

An Army spokesman said here: "The fighters of the campaign, though not many, have very good submarine detection capabilities. Moreover, the enemy had hundred miles away from the home waters."

The submarine, however, decided to go for the enemy and successfully avoided the attack.

UNAUTHORISED MESSAGE TO UN WITHDRAWN

RAWALPINDI, Dec 11: An official spokesman today said that the letter sent to the UN Secretary-General U Thant by a staff officer to the Pakistan Foreign Office had been withdrawn. "We withdraw the moment the Government came to know about it," he said.

The spokesman told a questioner at the briefing that the event was not to say exactly what was written in the letter, to make sure this sort of thing did not recur.

Asked whether any action was under way against those responsible, the spokesman said: "I presume something must have gone wrong."

When asked to disclose the contents of the message, the spokesman said details did not matter much as it was withdrawn.

He said the situation in East Pakistan was difficult and grim and Pakistani forces were struggling to defend their country in difficult conditions.

He said if any significant change in the situation takes place, the public would be informed about it. —APP

PAK TROOPS' HIGH MORALE

FROM SAJID AHMED

RAWALPINDI: Dec 11: A PAK Assembly resolution to its total withdrawal from the Indian-controlled areas in Jammu and Kashmir was adopted yesterday by the Indian government.

Correspondent Kenneth Clark of the Associated Press described the excellent morale among Pakistani troops who are undaunted by the difficulties of the sector apparently known as the "Hell-borne sector" along the Lahore sector of the Western front.

The British historian, and author of the book "The Sikhs", remained unchanged and have very good submarine detection capabilities. Moreover, the enemy had hundred miles away from the home waters.

The submarine, however, decided to go for the enemy and successfully avoided the attack.

Nurul Amin tells India to pull out

FROM SAJID AHMED

RAWALPINDI, Dec 11: The Indian Prime Minister-designate Mr. Atal Bihari Vajpayee, today warned India to leave the disputed areas in East Pakistan despite the awk-

ward situation created by India.

People in Pakistan, he said, have been here for a number of years and have never been asked to leave.

He said: "Our people, we are fully aware of your attitude and your determination."

The people of Pakistan have been here for a long time and do not want to see till the enemy is driven out and completely defeated.

NO FRIENDLINESS

The Prime Minister-designate said that Pakistan was achieving its aims and objectives and the blood of millions of Muslims in India, he said, must realize "Indo-Pakistani friendship" and "no friendliness".

Repeating his previous statement, he declared: "No friendliness."

Before this I had written a letter to you through newspapers, dated 24th February, 1971, but you have not yet sent any reply.

I am again enquiring from you, through this letter, as to whether you wrote any condition in

Mr. Kosygin, Prime Minister of Government of Russia

By Our Staff Correspondent

Before this I had written a letter to you through newspapers, dated 24th February, 1971, but you have not yet sent any reply.

I am again enquiring from you, through this letter, as to whether you wrote any condition in

Tashkent Pact to you, that whenever you desired you would give all kinds of military aid to

India. Mr. Atal Bihari Vajpayee has given a resolute ruling (Fatwa).

We shall achieve victory over infidels like the battle of Badr, whether we are only 313 or 13,33,33,313 in number. For

the sake of human sympathy kindly guide Musammat Indra Gandhi, who is an orphan girl. She

should refrain from lies and wickedness.

Allah's wrath on those who tell lies.

If Mussalman has money he is rich. If not he is a Fakir.

If he dies he is a Pir, a Ghazi while alive and a Shaheed if he dies on the battlefield.

Awaiting reply
