*Resistance stiffens*

**RAWALPINDI, DEC 13: ALL ATTEMPTS OF THE INVADING INDIAN ARMY TO ADVANCE TOWARDS DACCA WERE FOILED TODAY BY OUR VALIANT FORCES WITH THEIR HEROIC RESISTANCE, AN ARMY SPOKESMAN SAID HERE THIS EVENING.**

As the enemy continues to land its hell-borne forces and para troopers at various places in East Pakistan, the "Mujahids" of the Pakistani Army pounce upon them wherever the enemy is sighted.

In West Pakistan, the enemy inflicted heavy losses on the enemy during the last 24 hours. In the Sylhet area Pak-24 hours made several para troops "badly mauled" the 8th Gurkha Regiment of the Indian Army.

These attacks were followed by an air raid by our forces. The spokesman said:

"The spirit of the defenders in East Pakistan remains indomitable and their faith in God Almighty is unshaken."

They are taking the enemy on as bravely as expected of a national army.

The Pakistan Air Force today downed two Supermarine 100 aircraft of the IAF in combat. One was destroyed by an aircraft the other over PAF base Bahawalpur after a number of IAF aircraft had been damaged so far to 121.

The spokesman said: "Pakistan troops put up a number of fierce attacks in East Pakistan during the last 24 hours at several places (Continued on back page no. 7)

**Dacca will fall only over my dead body: Niazi**

**WASHINGTON, Dec 13:** The grim determination of our enemies to capture Dacca, the capital of East Pakistan, and to disregard the country's territorial integrity in the face of heroic resistance has eloquently proved by the chief of our Eastern Command, Lt-General A.A.K. Niazi.

General Niazi, who appeared at the Dacca Press Club yesterday, where foreign journalists were waiting to hear his views on the situation, said: "Dacca will fall only over my dead body."

General Niazi, who addressed the Dacca Press Club yesterday, said: "They (the Indians) will have to drive a hard bargain to get Dacca."

Referring to the malignant Indian press, General Niazi said that the country's valiant army would not let the enemy driven out of the sector of Dhaka.

He severely disapproved any idea of surrender by India.

He repudiated any suggestion by India to negotiate for their repatriation. He said our Army will either live honorably or perish like our ancestors." (DP)

**End defiance of world opinion, Bush tells India**

**WASHINGTON, Dec 13:** Mr. of the United Nations to be urged India to end its defiance

and support the resolution of the General Assembly "and help bring about an immediate and lasting peace in the Indian subcontinent."

Mr. Bush said: "This is a war that need never have taken place."

Speaking at the Security Council, Mr. Bush called on the UN resolution calling upon India to accept the General Assembly's demand for a cease-fire in the Indo-Pakistani fighting.

Mr. Bush said: "This is a war that need never have taken place. We are deeply concerned toward a peaceful accommodation. He said: "It was available." It was available to India's government just as India has sponsored the world organization by providing the secretariat for the General Assembly," he added.

Elaborating the steps taken by his Government to defuse the situation, Mr. Bush repeated his views before the Security Council on Dec 7 in which he had stated:

"We repeat that the beginning of the crisis goes back to the use of force by Pakistan in March of this year. We repeat that the beginning of the crisis it should also be clear that India bears a responsibility for creating the crisis by spurring efforts

**Word of God**

And fight in way of Allah against those who fight against you but he not aggressive. Surely Allah loves not the aggressor.

And kill them whenever you find them and drive them out from where they drove you out, and persecution is worse than slaughter and fight not with them at the Sacred Mosque until they fight with you in it. If they fight you (in it) slay them. Such is the recompence on the disbeliever. (Al-Quran Part two 24-190-191).

**Franco-US call for UN action**

**ANGRA (Azores, Dec 13:** The United States and France today called for action by the United Nations to halt the Indian-Pakistani war.

President Nixon and French President Georges Pompidou agreed on the need for instant action with the world organization to stop the Indian-Pakistani war.

French Foreign Minister Maurice Couve de Murville reported the United States had "fully backed" the Security Council's call on the United Nations to use all forms of powerlessness to end the war.

But he said he had no reason to believe the Security Council could do more.

US Secretary of State William Rogers, appearing at a joint news conference with Mr. Couve de Murville, said he hoped that progress could be made towards ending the conflict in India as a result of decisions now being taken in the Security Council.

Mr. Rogers said last night that
