

# Dinajpur cleared

It was officially announced in Dacca on Tuesday that all the pockets of resistance in Dinajpur have been cleared by the Pakistan Army, reports APP.

An army column was moved

into the area following reports that anti-state elements and miscreants with the help of armed infiltrators from across the border were harassing the people of this north western region of East Pak-

istan. Infiltrators and miscreants were chased and routed.

A substantial quantity of Indian arms and ammunition was captured by Pakistani troops.

## Niazi's charge

### Some politicians trying to create confusion

LAHORE, April 13.—Maulana Kauser Niazi, Information Secretary of the Pakistan People's Party today said that a few politicians involved in a common plan hatched abroad stood exposed now and they were making yet another effort to create further confusion in national affairs at this critical juncture, reports APP.

In a statement issued here today he said these politicians played a disreputable role which suited their own designs and in the next three had been

### Action against miscreants only

An official spokesman said in Dacca on Tuesday that the BBC report alleging destruction of Hindu areas in Dacca was absolutely baseless, reports APP.

The spokesman added that Army action was directed only against miscreants and anti-state elements irrespective of communal or religious affiliation.

The spokesman reiterated the Armed Forces are resolved to continue protecting life and property of all citizens including members of the minority community.

### Directive to Service personnel on leave

Service personnel who were on leave in East Pakistan and have not yet reported back to their units on the expiry of their leaves, have been directed to report to their own units or to the nearest military unit without further delay, failing which they will be declared deserters. It was officially announced in Dacca on Tuesday, reports APP.
