

Thakurgaon secured

The Pakistan armed forces, which earlier cleared all the pockets of resistance in Dinajpur have moved further north and have fully secured Thakurgaon, reports APP.

All resistance points between Dinajpur and Thakurgaon have been sorted out and the entire region is now free of miscreants and infiltrators.

In the rest of the province all principal towns including Chittagong, Jessore, Khulna, Comilla, Sylhet, Pabna, Lalmanirhat, Saidpur, Rangpur, Rajshahi and others are under effective control of the Pakistan Army.

The remaining pockets of the anti-state elements are being dealt with suitably.

The PAF have been engaged in this operation for transporting troops and material to the trouble spots. The PIA Fokkers in the East Wing rendered invaluable assistance, whenever necessary without disrupting the normal services which have been resumed between all the major towns.
