

Peace committee to be set up in districts

Representatives of the Central Peace Committee are being deputed to the district and sub-divisional headquarters for setting up peace committees for fulfilling the mission of the Central Peace Committee which relates to early restoration of normal life and educating the people to be vigilant against anti-state and anti-social elements and to counter the machinations of the rumour mongers, says a press release, reports APP.

But if peace committees in any districts and subdivisions are, by the time, formed on the initiative of patriotic groups and elements, such committees will kindly forward their names to the central office of the Central Peace Committee for due recognition.

The central committee will furnish report of recognised unit peace committees to the administrative authorities concerned.

Peace squads on behalf of the Central Peace Committee are moving in different parts of the Dacca city for creating more helpful atmosphere congenial for restoration of perfect normal life in the city.

Sixteen more unit peace committees in and around the city as per chart below have been formed.
