

# Faridpur humming with activities

FARIDPUR, June 25.—Economic and social activities in Faridpur district have returned to normal, reports APP.

All the business centres of district are again humming with activities. Industrial finished goods and agriculture products are available in huge quantity.

Those who had left their houses have again returned.

APP correspondent based at Faridpur visited Rajbari and Madaripur last week and found that educational institutions there have reopened and were

functioning properly. A good number of students are attending their classes and their number was increasing daily.

Motor launches, buses and other means of transport are running on their normal routes carrying large number of passengers. Big boats loaded with merchandise are plying safely in the rivers.

Peace committees have been formed in all thanas.

Eight persons alleged to be anti-social elements were arrested by police of Naria P.S. and Shlbchar P.S.
