

Ghulam Azam calls for all out war

From Our Correspondent

LAHORE, Nov. 24:—Prof. Ghulam Azam, Amir, Jamaat Islami, East Pakistan on Wednesday called for an all-out war against India or else she would continue escalating her aggression against Pakistan.

Speaking at a Jamaat Islami reception he said that if the Government considered East Pakistan an integral part of Pakistan it should immediately launch a counter-offensive from West Pakistan borders. Should Pakistan continue pursuing an appeasement policy India would not desist from its perfidious scheme of destroying our homeland.

Fresh Indian military adventures in East Pakistan had created a very dangerous situation posing a serious threat to the very existence of Pakistan. In such circumstances a total war was essential otherwise not only the security of East Pakistan would be jeopardized but Pakistan would not be able to retrieve regular troops engaged in the defence of East Pakistan he warned the Jamaat leader.

Prof. Ghulam Azam said that the Muslims in East Pakistan had no alternative but to fight an all-out war for their survival. A nation that could not brave dangers had no right to live. India had been escalating hostilities because we had kept silent. If Pakistan was to survive and wanted to safeguard its national honour and security it must fight back the aggressor on all fronts.
